ABOUT US

The house of Kafi commodities

Since the inception of the company under the name Nobel Impex almost 40 years ago, the same manifesto stands firm with a label that speaks for itself. Now known as Kafi Commodities (Pvt) Ltd, the horizon seems to be expanding with every passage of time. Diversifying the wide range of products and services without compromising on quality or hygiene.

Kafi Commodities has always believed in expanding beyond the ordinary and with high spirits, all efforts paid off with the introduction of Essence and Kafi Kitchen. Maintaining international quality standards and SOP's as fleet upon fleet of our label is delivered across the globe.

FINE / COARSE

Benefits of edible Himalayan Pink Salt

- Boosts your mineral intake with regular use.
- Contains potassium and magnesium that helps in sodium efficiency that our body needs, while countering the negative effects of sodium.
- Improves vascular health and circulation.
- Improves insulin sensitivity, helping you get energy out of the food you eat.

And much much more.
